CONGRATULATIONS!

John Driggers, MD

PGY2 Resident
Department of
Anesthesiology &
Perioperative Medicine

I am deeply grateful to Dr. John Driggers for his exceptional mentorship during my anesthesia clerkship. His dedication to teaching and his ability to clearly explain complex anesthesia practices made the experience invaluable. Dr. Driggers not only guided me through the technical aspects but also took a genuine interest in my learning and development as a student who is interested in the field. His passion for both patient care and education is truly inspiring, and I feel fortunate to have had him as a preceptor.
