# Pitt Med Professionalism Accolade

## CONGRATULATIONS!

**Hannah Crentsil**
MS4

I got to work with Hannah side by side for our entire Internal Medicine rotation at the VA. I hadn't met Hannah before this rotation because she was coming off of her PhD, but I'm so grateful to have someone like her in our class. She's incredibly hard-working, genuine, selfless, intelligent, and kind. She treated all of her patients with a great deal of compassion and has a wonderful natural bedside manner. Every single day she showed up with a great attitude and was always a pleasure to work with. She also consistently went above and beyond for her patients. Anyone getting the chance to work with her in the future will have a wonderful experience.
