# Pitt Med Professionalism Accolade

## CONGRATULATIONS!

**Ryan Camacho**
MS3

Ryan went above and beyond in helping others during the OBGYN clerkship. When I was unsure what questions to ask during postpartum rounding and how to write a note for it, Ryan walked me through the process (even offering to let me "shadow" him) and gave me tips for the note. Even though we were all extremely busy, he was always the first to offer help when anyone needed it. He also helped me figure out how to get my UpToDate working when I had issues with it and I even witnessed him helping a resident find the correct OR for a C-section. He was selfless in offering to use his valuable time to help others, and I am so grateful to have him as a classmate!
