CONGRATULATIONS!

Yuying “Sara” Cao
MS3 Student

I had the pleasure of working with Sara on our internal medicine clerkship, and I feel incredibly lucky to work alongside someone who truly sets the gold standard in every aspect of medical training. Sara’s clinical knowledge and instincts are sharp, but what sets her apart is her relentless drive to go the extra mile for her patients—whether that meant staying late to dive deeper into a case or taking the time to ensure every patient felt heard and cared for. She also has an innate ability to be a team player, being compassionate in helping others with their work while never missing a beat. Sara’s passion for medicine and her unwavering dedication to patient care have inspired me, and I have no doubt she’ll be a standout physician, leaving a lasting impact on every patient/colleague she works with.
