PITT MED PROFESSIONALISM ACCOLADE

MADELINE SHARP, MD

PGY2 Resident
Department of Medicine
General Internal Medicine
Program (PUH)

"Dr. Sharp is fantastic. She was my senior during my time on Team Ruby and created an incredible environment for all of us to grow and learn.

She allowed me to have responsibility and independence while also providing great oversight. I really feel like I turned a corner in the areas I was hoping to improve in and think she left an indelible impact on me and my classmate. She's a great example of how I hope to be if I'm in her position one day."
