PITT MED PROFESSIONALISM ACCOLADE

SYDNEY DEVORE

MS3 Student

"Sydney has been an extraordinary mentor throughout our research collaboration, consistently demonstrating patience and dedication in every aspect. Despite her demanding rotations, Sydney has wholeheartedly invested her time, providing unwavering support that has been crucial in my development as a student and researcher. Beyond enhancing the quality of our research, Sydney's profound commitment to mentorship has profoundly influenced my personal and professional growth. Inspired by her example, I am eager to pay forward the knowledge and encouragement she has generously imparted to me."
