PITT MED PROFESSIONALISM ACCOLADE

REGAN SHANAHAN

MS3 Student

"Regan has shown a genuine commitment to helping other students succeed and consistently makes time to offer guidance despite her demanding schedule. She has been incredibly helpful in navigating research opportunities and providing practical advice for professional development, which has made a meaningful difference in my experience in medical school. I truly appreciate the time and effort she dedicates to her passions and her drive to continuously grow and mentor those around her is inspiring. Seeing her lead by example has reinforced my own desire to foster collaborative environments for others."
