PITT MED STUDENT EXECUTIVE COUNCIL'S STUDENT OF THE MONTH FEBRUARY 2025

"Kaley Murday has been selected as Pitt Med SEC's Student of the Month for February 2025. Kaley planned an amazing Black Bag Ball during some of the busiest times in medical school! She has served as a leader in the Student Executive Council as a Vice President for the past year and has always gone above and beyond in fulfilling her duties. She has always balanced her work and her academic commitments flawlessly. We greatly appreciate Kaley's dedication to creating a wonderful social gathering for community building and fun during the stress of medical school!"
