ANNIE CHEN

MS3 Student

"I've had the pleasure of working with Annie during our surgery clerkship. She has been a wonderful part of our team and across-the-board amazing to work with. She's hard-working, attentive, detailed, prepared, selfless, and very empathetic to all of her patients. I hadn't gotten to work with her prior but wish I had. I think she's going to be an incredible future physician and has several qualities that I'm going to glean from her to be better myself."
