PITT MED PROFESSIONALISM ACCOLADE

HANNAH ROACH, MD

PGY2 Resident
Department of Pediatrics
General Internal Medicine &
Pediatrics Program (PUH)

"Dr. Hannah Roach was an amazing leader and one of the best residents I have had the pleasure of working with. Despite it being her first time as a senior on the pediatric service, she led from the front. She never gave us more than we could handle and always offered to help out where she could. Even on hectic days, she made it a point to spend dedicated time teaching the team—either on a topic of our choice or something relevant to the day.

Nearly every day, she took the time to write praise reports for each team member, which were incredibly encouraging, in addition to the on-the-go feedback she regularly provided. She also coordinated all kinds of fun themes that helped the team feel more connected and lightened the heavy workload…"
