# PITT MED PROFESSIONALISM ACCOLADE

## ALEXANDER THOMAS, MD

Fellow
Department of Surgery
Surgical Oncology Program
(PUH)

"Alex was one of the best educators I have had all of M3 year. When teaching me how to suture, he carefully walked me through the technique and patiently guided me each step of the way. I always felt comfortable asking questions…and he always provided very thorough and comprehensive responses discussing workup and management. He demonstrates exceptional dedication to his craft and patient care… I admired his courteous and polite demeanor, as by second nature he expresses gratitude every time he is handed an instrument. It has been a delight to work alongside him, and he made me feel like part of the team. Alex is a phenomenal surgeon, mentor, colleague, but above all, a professional role model."
