CASSIDY LATCHFORD

MS1 Student

PITT MED STUDENT EXECUTIVE COUNCIL'S STUDENT OF THE MONTH MARCH 2025

"Cassidy Latchford has been selected as Pitt Med SEC's Student of the Month for March 2025. As a SHARP Rep for her class, Cassidy Latchford has been consistently available and dedicated to her classmates during what was a busy and complicated time for the class of 2028. She has been a true advocate, connecting students with mental health resources and helping to convey recent changes in policies. She also helped arrange a meeting with a Psychiatrist/grief counselor to lead a discussion on loss a few months after the passing of our classmate. Cassidy truly cares about her class and serves them in a kind and professional manner."
