AVNI PATEL

MS3 Student

"Avni was an incredible source of support during my OB/GYN rotation. Her calm demeanor, clinical insight, and thoughtful advice helped me navigate a fast-paced and emotionally intense environment with much more confidence. She went out of her way to offer tips on patient communication, exam prep, and even how to handle challenging cases with professionalism and empathy. I truly admire her and feel lucky to have had her as a peer and mentor during the rotation."
