PITT MED PROFESSIONALISM ACCOLADE

EMMA KOTES

MS1 Student

PITT MED STUDENT EXECUTIVE COUNCIL'S STUDENT OF THE MONTH MAY 2025

"Emma Kotes has been one of the kindest, most reliable, most uplifting, and most professional members of our med school class this year. Academically, she is excellent and is always present and makes herself available to her classmates. She supports students who need it, as a friend and with the material. As well, she is extremely involved in her role as Class Vice President, by being involved in advocating for her classmates and working with administration to improve aspects of the school and curriculum. She is also a social touchstone, who has arranged a number of events to bring our class together, including holiday celebrations and an end-of-year outing to a Pirates game. She is truly one of the most important and beloved members of our class."
