PITT MED PROFESSIONALISM ACCOLADE

DANIELLE FEFFER, MD

PGY1 Resident
Department of Neurology
General Neurology Program
(PUH)

"Dr. Feffer was one of the best interns I've had the opportunity to work with during my third year. During my Internal Medicine rotation, she allowed me to take true, full ownership of my patients and always treated me as a valued member of the team. Her teaching style was empowering, and she consistently created space for me to grow in both confidence and clinical skill."
