NICOLE ALINDOGAN

MS4 Student

"Nicole has been an outstanding mentor over the past three years. She is someone I consistently rely on for guidance in study strategies for exams/shelfs, navigating clinical rotations, advice on research, and making important career decisions. I value her honesty and practical insight, and I know I can always count on her for thoughtful support. I especially appreciate how willingly she shares her own experiences in a sincere and encouraging way. She has helped me feel more confident and prepared for the challenges of medical school, and I am incredibly thankful to have her as a mentor."
