"Amitha Halthore received high praise from a patient's mother for her care of his son during his hospitalization. The patient's mother made it a point to call me, the Pediatric Hospital Medicine Division Director, on the phone after discharge to make sure I could celebrate Amitha and other members of the care team… The mother thought the entire team was wonderful, including the attending Dr. Ellie Sharp, the senior resident Dr. LaToya Watkins, [and the medical student] Amitha…"
