BETHANY HILEMAN

MS4 Student

"Bethany Hileman was an excellent Anatomy TA. She is passionate about educating others and works diligently to stay up to date with the knowledge and information necessary to guide her students in the right direction. Over our anatomy course, Bethany has been a reliable resource and has gone above and beyond what has been asked of her in the TA role. There were many days when she stayed later than scheduled for office hours to ensure that her students were understanding the material. As a student, it was clear that Bethany cared about us. I am truly grateful to have had Bethany as a TA."
