PITT MED PROFESSIONALISM ACCOLADE

SAMUEL "SAM" BERHANU

MS1 Student

"Sam is an exceptional classmate and embodies the characteristics of an excellent future physician. He is truly a person who cares for others. Throughout Keystone Fundamentals, Sam has taken the time to teach his peers. Sam held his own office hours for VHA sessions, a topic that was very difficult to understand for many of us. He also took the time to review important high-yield concepts before the summative. I am so grateful to have Sam as my peer. Without his help, Keystone Fundamentals would've felt so much more daunting. Through this accolade, I hope Sam can understand how much I appreciate him and his kindness."

Submitted by a Medical Student
Keystone Fundamentals, Fall 2025
