PITT MED PROFESSIONALISM ACCOLADE

DAVID LIDDLE, MD

Faculty
Department of Pediatrics
Division of Pediatric Cardiology

"Dr. Liddle's kind demeanor and patient teaching style made Cardiology approachable for me and so many other students! His lectures were always focused on making dense material digestible and he was consistently available for further questions. His obvious passion his work and student learning makes him a wonderful asset to the 3RC Cardiology block. Thank you, Dr. Liddle!"
