BENJAMIN PETICCA, MD

PGY1 Resident
Department of Urology
General Urology Program
(PUH)

"Dr. Peticca was an excellent resident during my Acting Internship. He provided thoughtful, constructive feedback and allowed me to work with a high level of autonomy as an acting intern. He was clearly invested in ensuring that I was well prepared for the next stage of my career, offering practical tips for being an intern while also prioritizing meaningful learning experiences. I am truly grateful for his guidance, mentorship, and expertise throughout my Acting Internship."
