PITT MED PROFESSIONALISM ACCOLADE

JAY PATEL

MS3 Student

"I would like to recognize Jay Patel for being an exceptional student partner during my Internal Medicine rotation. Jay consistently fostered a supportive and team-oriented environment. He made it a point each day to check in about my patients and offer help whenever needed, demonstrating both initiative and genuine kindness. Beyond his strong work ethic, Jay brought a welcoming energy to the team—his lighthearted demeanor not only affected my experience as a medical student, but also uplifted the atmosphere for residents, attendings, and the pharmacy team during rounds. His intelligence combined with his humility created a nonjudgmental space for me to learn and grow. Working alongside him was truly a positive experience."
