EMILY "EMMY" BROWN

Graduate Student
Integrative Systems Biology Program

BIOMEDICAL GRADUATE STUDENT ASSOCIATION'S
Student of the Month
May 2026

"Emmy consistently gives 100% in both her research and her service to the graduate community. As BGSA President and SOM Symposium Chair, she goes above and beyond to support students and create meaningful opportunities for engagement and growth. She genuinely cares about student well-being and works tirelessly to foster an inclusive, supportive environment. Emmy is not only an outstanding scientist but also a dependable friend and leader. Our graduate community is stronger because of her, and we are incredibly lucky to have her."
