PITT MED PROFESSIONALISM ACCOLADE

BRYCE BREDELL, MD

Faculty
Department of Emergency Medicine

"Dr. Bryce Bredell was a fantastic CSP for our ICM course. We all appreciated his honesty, his leadership and instructor style and his willingness to answer all kinds of questions no matter the subject. Personally, having Dr. Bredell as my CSP was very formative for me and shadowing him in the emergency room at our clinical site renewed a longheld clinical interest in Emergency Medicine for me. Overall, Dr. Bredell is an example of what makes an exemplary physician-educator."
