PITT MED PROFESSIONALISM ACCOLADE

NEHA SHETTY

MS4 Student

"I would like to recognize Neha for being an exceptional and exemplary classmate during our Internal Medicine rotation. From the very beginning, she helped foster a positive culture and collaborative team environment by always offering a hand once her own responsibilities were completed. Her positive and charismatic demeanor was especially evident during rounds... Equally impressive was her unwavering commitment to the wellness of her patients beyond all else. She continuously checked in on her patients, and was always offering any sense of support that she would be able to provide during some of their worst days. Finding those with a balanced drive between genuine intellectual curiosity and social connection with patients is rare, but something Neha was able to effortlessly embody. It was truly a pleasure working and learning alongside Neha during this rotation."
