PITT MED PROFESSIONALISM ACCOLADE

NEHA SHETTY

MS4 Student

"Neha was a source of support and mentorship during our surgery clerkship together. She was the perfect example of a peer mentor. At the beginning of our rotation, she noticed I was struggling with suturing and knot tying. She went out of her way to teach me these surgical skills without judgment. I was impressed by her patience, kindness and willingness to help others. Beyond that, her positive attitude made the rotation fun and enjoyable for everyone around her. She will be an amazing future resident who both recognizes when others need support and gracefully steps in to help."
