UNIVERSITY OF PITTSBURGH SCHOOL OF MEDICINE

LEARNING ENVIRONMENT STATEMENT SUMMARY

University of Pittsburgh | Office of the Learning Environment, School of Medicine

We are dedicated to creating a **safe, supportive, and respectful educational environment** for all students, trainees, faculty, and staff. Accordingly, each member of the Pitt Med learning community will:

R **Respect all individuals**, inclusive of sex, gender identity/expression, race, ethnicity, religion, national origin, sexual orientation, disability, age, and marital, familial, or veteran status.

E **Exemplify Pitt Med's core values** of integrity, collaboration, service, justice, and compassion.

M **Serve as a role model** by demonstrating high professional and ethical standards in all interactions.

A **Willingly accept constructive feedback** and use this information to improve one's performance.

P **Protect the safety of the learning environment** by reporting and/or responding appropriately to incidents of mistreatment, harassment, and differential or unprofessional treatment.
