CONGRATULATIONS!

Renee Davis, DO

PGY3 Resident
Department of Surgery
Division of General Surgery

I was fortunate to learn from Dr. Davis on my surgery clerkship. She was one of the absolute best teachers I have had throughout my clerkships thus far! Dr. Davis was communicative, empathetic, and patient. She was highly involved in every part of her patient's care, and embodied the roles of "team player" and respected, effective leader. She regularly took time out of her incredibly busy day to teach me about the day-to-day logistics of patient care, technical skills, and provided regular formative feedback. Additionally, she provided mentoring and advice on a career in medicine and navigating life in residency. Thank you Dr. Davis!
