

Pitt Med Professionalism Accolade

CONGRATULATIONS!

**Amudan "Jay" Srinivasan,
MD**

**PGY4 Resident
Department of Surgery**

Jay was an exceptional senior resident during surgery clerkship. He always took the time to teach, answer questions, and provide thoughtful, constructive feedback. He also consistently treated me with genuine respect, kindness, and empathy. Jay is an exceptional teacher and leader because he couples kindness and humility with passion and competence. I am grateful for Jay's example as a remarkable physician leader.
