

# Pitt Med Professionalism Accolade

## CONGRATULATIONS!

**Onaje Cunningham**

**MS2 Student**

Onaje, in fiscal responsibility, has shown himself to be an exemplary leader as our SNMA Treasurer. He consistently demonstrates sound judgment and a keen understanding of financial matters. Beyond his technical expertise, his commitment to transparency and accountability has fostered a culture of trust and confidence among our Pitt Med SNMA members. His clear communication and willingness to engage with others on financial matters have elevated our community's financial literacy and strengthened our organization's bonds. Just in his time as treasurer, he has raised nearly \$2,000 and has ensured that students get the opportunity to attend AMEC at little or no cost. Thank you for all you do!
