

Pitt Med Professionalism Accolade

CONGRATULATIONS!

Nit Anantharaman

MS2 Student

Nit and a classmate did an extraordinary job jointly organizing and conducting the UPSOM Talent Show this year that benefits the Match Days of the Classes of 2026 and 2027. They coordinated all of the acts, the scheduling, the rehearsals, and ensured that the event ran smoothly and efficiently, providing opportunities for students to demonstrate their talents to their peers and creating an environment of celebration and levity. The amount of planning that went into such an event, and particularly an event that ran so smoothly, is a testament to their high levels of professionalism, foresight, and hard-working natures. Their hard-work created a beautiful event that brought students across classes together in celebration of comedy, art, and music.
