

Pitt Med Professionalism Accolade

CONGRATULATIONS!

Emma Bryant
MS2 Student

Kendall Curtis
MS2 Student

Devan Kowdley
MS2 Student

Sahana Krishna Kumaran
MS2 Student

A wonderful group of MS2s volunteered their time, enthusiasm, and teaching skills to partner with two fifth grade classes at Falk Laboratory School. The seven MS2s built creative, interactive, and informative presentations on different body systems and presented them to the classes. The fifth-grade students were so lucky to have you as their guest lecturers!
