

Pitt Med Professionalism Accolade

CONGRATULATIONS!

Sol La Bruna
MS2 Student

Sol is invaluable to improving the learning environment for all Pitt Med students, particularly for the MS2 class. As the class president and also simply an outstanding human being, she is constantly and fiercely advocating for our class on many different issues of great importance, most recently regarding attendance policies and health insurance issues. She always has her pulse on what is going on in the medical school, and everyone knows that they can go to Sol if they need help with something or just need an ear to listen to what is going on in their life. Sol is astonishingly kind, witty, and intelligent, and I am genuinely lucky to not only know her as a peer and a class rep, but also as a friend.
